The diagram illustrates a road layout with the following details:

- Top Section:** A horizontal road segment with stationing 400.10, 400.16, and 400.20. It features a centerline (L.C.V.) and a median line (L.M.). A vertical curve is indicated with points (402.10) and (402.21).
- Intersection:** A vertical road, Calle Pública N°07, intersects the horizontal road. The intersection point is marked as P.V.C. (Punto de Vista Curva) with a length of 30.00m. The road is labeled "CALLE PÚBLICA N°07".
- Bottom Section:** A horizontal road segment with stationing 400.20, 400.21, and 400.26. It also features a centerline (L.C.V.) and a median line (L.M.). A vertical curve is indicated with points (402.21) and (402.26).
- Other Features:**
 - Labels "BR24" and "BR25" are present near the intersection.
 - Distances of 2.50mts, 7.00mts, and 3.50mts are marked along the road segments.
 - Stationing values 400.10, 400.16, 400.20, 400.21, and 400.26 are shown at various points.
 - Labels "CALLE PÚBLICA N°08A" and "CALLE PÚBLICA N°10" are visible on the left and right sides of the diagram.
